### **JÉRÔME COSSON**

**MASTER CELLAR SAUTERNES WINE**  
**CHATEAU D'ARCHE**

Jérôme Cosson joined Château d'Arche in 1989 for love, the love of his life, his wife. His father-in-law at the time was in charge of two properties, one in the Entre Deux Mers and the other in Sauternes, Château d'Arche, where Jérôme began to work actively in the vineyard and cellars. He learned from the elders, those who knew perfectly the terroir, the vineyards and the processes of vinification.

### **THIBAUT DESPAGNE**

**WINEMAKER DESPAGNE**

His passion for wine made winemaking an obvious career choice. His ambition was to create fine wines in the Entre-Deux-Mers appellation, a terroir, his terroir, synonymous with the pleasure of being alive. With its mascaret and its unfulfilled potential, this unspoiled northern part of the Gascon region is the source of the unfailing energy Thibault infuses into his team, the people he meets and his wines everyday.
